Twenty-First American Game Conference Is Held In New York

Appreciating eight hundred persons, including many of the chief game officials of Canada and the United States as well as others interested in the conservation of the wild life of North America, met at the Twenty-First American Game Conference held in New York City, Tuesday, November 10.

Dr. Hovey Lloyd, secretary of Wild Life Conservation, Department of the Interior, Canada, who was chairman, Waterfowl provided one of the main features of the conference. Birds have been very seriously affected by the hunting season, and the conference of the past few years has been devoted to the study of the waterfowl in this country. In 1934, was a statement prepared in reports received by the United States Game Service from hundreds of observers in all parts of the Dominion. Another paper, "The Macdonald Delta as a Breeding Ground for Waterfowl" was prepared by Mr. A. E. Poulson of the Lands, Northern Territories, and Yukon Department, Ottawa, Canada, who has been located in the Mackenzie delta, Northern Territories, for many years.

Printed copies of the proceedings of the conference will be distributed from the Secretary of the American Game Conference, Government Building, Washington, D.C., U.S.A.

Thirty Miles From Water

New Backs Lake Vessel On Prairie Dry Thresh

Perched on the prairie in a dry, 30 miles from the water it is a sight to behold. The vessel is a "Trout," a small capable of carrying 200 fish, and is being used for the purpose of fishing.

It has a 50-foot keel and 15-foot beam and is clad in steel. It is a modern convenience. It has a draft of 10 feet. It is powered by a 60 h.p. engine.

It was built out by the owner, E. Pedersen, local proprietor at Lake Umbagog, and is about two years' work all by him. It is his intention to move it to the water in the summer. It will be put in the water as soon as the water rises. It will be put in the water for a voyage to Lake Umbagog, where it is planned to set the Lucky Trout in service.
